St. Elsewhere

This series has been described as "Hill Street Blues in a hospital." It's not a bad description: *St. Elsewhere* is a large-cast medical drama from MTM Enterprises that blends realism, humor and pathos with moments of stark terror. The name of the Boston hospital is really St. Eligius, but everybody calls it St. Elsewhere—"a dumping ground," says one surgeon, "a place you wouldn't send your mother-in-law." The ensemble includes Ed Flanders, David Birney, David Morse, G.W. Bailey, Cynthia Sikes and 11 other regulars as doctors, nurses and staffers. Let's look in on a typical day, shall we? A patient with a history of mental illness is missing. A burly dock worker has a doctor by the throat. Victims of a terrorist's bombing are being wheeled into the emergency room. And two residents are making love in the morgue. Hey—let's be careful in there. NBC.
